

UNIFORM POLICY

Quail Lake Environmental Charter School prides itself on the conduct of its students. A well disciplined, neat, and clean atmosphere provides the best learning environment for students to take full advantage of their educational opportunities. All students must wear uniforms to school. Quail Lake is a uniformed school. By choosing to enroll in Quail Lake, you are choosing to honor the QL Uniform Policy and procedures.

Purpose of Uniforms:

- A. Increase campus safety and security:** Students or strangers who are not in uniform can easily be identified. Expensive jackets and clothing will not be a distraction for others.
- B. Increase school spirit and community:** Uniforms foster a sense of belonging and a spirit of identification and pride in the school.
- C. Increase acceptance for all students:** An emphasis is placed on “who you are”, and not “what you wear”. Uniforms help to eliminate elitism. No one student is “better” because of what he or she wears.
- D. Improve academics:** There is more time for teaching and a reduction of time spent on discipline. There is a business-like atmosphere for learning.

Uniform Step Policy:

The following steps will be utilized by the Quail Lake staff for uniform policy violations.

- Step 1: Warning: Student will receive a Falcon BEST Form; noting uniform expectations
- Step 2: Loss of Falcon BEST point
- Step 3: Loss of Falcon BEST point, student meeting with Principal
- Step 4: Loss of Falcon BEST point, parent conference with Principal

Additional uniform policy violations will be considered willful defiance of the Quail Lake Charter School Policy and suspension/school placement will be considered. Please see Quail Lake Parent/Student Charter Compact.

* A small selection of acceptable clothing items is kept in the office. Every attempt will be made to get students into dress code and returned to class as quickly as possible. In the event that clothes are not readily available at school, the parent(s) are expected to deliver clothes within the hour.
